

VITA PICTURA

World-class workshop provided by the company with top-tier footage and the world's biggest brands

Three different workshops available: **Basic editing**, **Advanced editing** and **Filming & Camerawork**

We are organising filmmaking workshops to collect funds for the Documentary film production as well as for the women's national ice hockey team's practice. This is the first workshop organised by Vita Pictura and it is the perfect opportunity for you to become part of the documentary creation process while learning filmmaking directly from the industry professionals.

You can purchase our workshops through the crowdfunding campaign or directly by contacting info@vitapictura.co. Workshops can be organised for any size of a group and time. Read more about the workshops below.

EDITORS CHALLENGE WORKSHOP

Basic Editing

For those new to editing

Full day workshop

Cost: 350 euro

The workshop is lead by

Georgius Misjura: Editor, Cofounder & CEO of Vita Pictura

“You will be proficient in delivering trendy edits that no one else in Estonia offers at the moment.” - Georgius Misjura

- You will watch how to edit a timeline in 1-2 hours
- Commercial, aftermovie and a music video
- Followed by Q&A and try it yourself
- You'll get the same timeline to play around with
- Possibility of a remote workshop

We would have an interview with the participant before the workshop starts. You will receive the footage to work with two weeks in advance. We will be making sure all of the most important concepts, and requirements are met in advance. We can meet online or in-person to discuss what you are especially interested in learning, and which genres you would love to work with. Expected dates of the workshops are early February and later.

ADVANCED EDITING WORKSHOP

Advanced Editing

For those with some editing experience

Full day workshop

Cost: 350 euro

The workshop is lead by

Georgius Misjura: Editor, Cofounder & CEO of Vita Pictura

You'll be editing one of Vita Pictura's real-life projects.

- Every editor will create their own versions of their edit using the rushes which will be sent to Georgius for feedback. You will edit a music video as it is more versatile and shows how to combine sound and picture.
- The footage is given to the students before the lesson - what we had already filmed. You will be taught Vita Pictura's style of editing, and techniques of rhythmic editing, which is one of the most important things we're doing here at Vita Pictura.
- We will be using the same footage all throughout the way. In the end, the best video edit will be chosen by the group. The best video will be also published on Vita Pictura's social media channels.
- Isam Muhammad, a guest editor from the US will join us. He has music videos edited for Gucci Maine, Future, Lil Uzi, Teyana Taylor, Tee Grizzley, Bodega Bamz, and many others.
- 2 hours of guest editor's online workshop and discussion
- Film, then edit - those who take Aleksei's filming workshop can edit their own works in the editing workshop if they take both workshops!
- Possibility of a remote workshop.

FILMING & CAMERA WORK WORKSHOP

The Essentials of Filming & Camera Work
For those who want to film
Full day Workshop
Cost: 350 euro

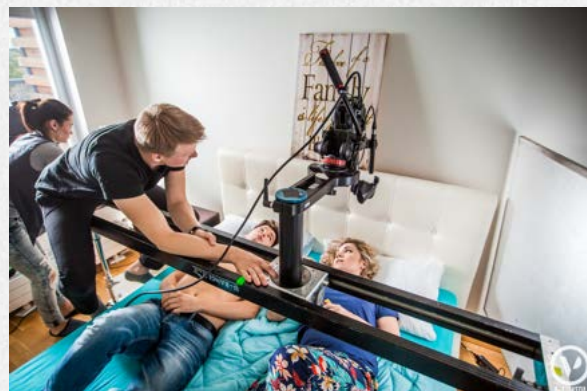

The workshop is lead by
Aleksei Kulikov: Director of Photography with Vita Pictura

Lighting, camera work, equipment, lenses. How to be a one-person production team.

Filming workshop is done by Aleksei Kulikov, a director of photography with over 15 years of experience. Aleksei will teach you how to act as a one-man filming crew - you will learn and try the basics of lighting, camera work, equipment, lenses, and learn to use these for your benefit. He knows plenty of tips and tricks how to make your footage look better.

The following subjects will be covered:

- The basics of lighting.
- Portrait light: three-point lighting setup, photographic lighting, a fill light. Angles of light.
- Film negative in colour. How to achieve depth by blocking light.
- Reflections on chrome surfaces and working with small details.
